How to Complete Your First-Yime Login and Setup

1st-Time Login — **Register Email** — **Reset PW URL** — **New Passoword** — **Set OTP**

01

Visit https://avatar-nxm.accton.com/ to open the login page, then click “First Time Login / Reset Password”.

02

Enter your registered email address and click “Submit”.

03

Check your inbox for an email from accton, click the **Password Reset URL**, and follow the prompts to set your password.

04

Confirm your new password

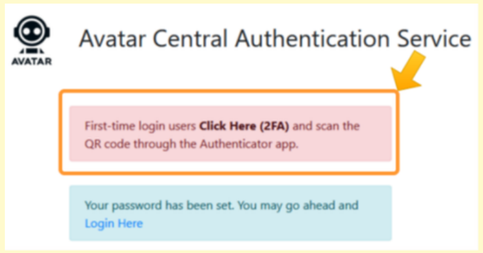

05

Set up Two-Factor Authentication (OTP): refer the following step 5-1 to 5-3

Set up Two-Factor Authentication (OTP)

5-1

Download an Authenticator App (such as Google Authenticator or Microsoft Authenticator) on your mobile device.

5-2

Log in to your account and navigate to the security settings to generate your QR code.

5-3

Open your Authenticator app and scan the QR code, then verify that the dynamic 6-digit code is generating correctly.
